CLASS DESCRIPTIONS

Gymnastic Classes—our gymnastics programs are based on the USAG Jr. Olympic Program, which provides a non-competitive, achievement-oriented program of progressive skills, conditioning & flexibility. All teachers are USA Gymnastics Safety certified.

Pre-K Gymnastics classes—our preschool gymnastics programs include the Parent & Tot, 3 All-Me, and our Pre-K 3/4/5 year old classes. Our preschool gymnastics program is not like less sophisticated preschool programs. Our curriculum is carefully designed for exactly what children need most during these formative years. Here at RCC, gymnastics skills are used as tools to teach learning attitudes while skill mastery is a second goal. Please respect our different age groups when registering—we believe these divisions are necessary in order to create just the right learning environment! Few organizations go to this trouble but we know the children feel more comfortable and learn more in our groupings. We hope you agree!

Day Camps & Lunch Bunch—don't miss out on our most popular summer activity! We will be hosting theme based camps for ages 6-12 years, as well as 4-5 year olds. Camps are every week starting May 31st. Anyone can come to our camps; you must pre-register and pay in advance for the camp.

Private Lessons---A one on one ½ hour session with Brian Leonard for only \$37.50. Starting every Friday and Saturday until May 22nd and every Thursday starting June 10th.
